CHIEF OF DETENTION

The Charlotte-Mecklenburg Police Department recently completed an annual review of secondary employment rates. The review has revealed the need for law enforcement to increase the current secondary employment rates applicable for the hiring of off-duty officers.

The Mecklenburg County Sheriff's Office closely monitors the market rates and the pay of Deputy Sheriffs and sets our secondary employment rates pursuant to our agreement with the Charlotte-Mecklenburg Police Department.

The following rate changes for Deputy Sheriffs working secondary employment will be effective starting July 1, 2019:

- ❖ The secondary employment rate for Deputy Sheriffs performing security functions will increase from the current minimum rate of **\$33.00** per hour to **\$36.00** per hour.
- ❖ The hourly rate for Deputy Sheriffs performing traffic functions will increase from **\$35.00** per hour to **\$38.00** per hour.
- ❖ The hourly rate for a Sheriff's Sergeant for larger events requiring more than four Deputy Sheriffs will increase from **\$42.00** per hour to **\$45.00** per hour.
- ❖ Pay rates for larger scale events requiring command staff assignments will be as follows:
 - **Captain:** **\$49.00 per hour.**
 - **Major:** **\$54.00 per hour.**
