MCSO Welcomes New K-9 Deputies

(Charlotte, NC) – Two new K-9 deputies will be joining the Mecklenburg County Sheriff's Office in the Field Operations Division and another is being partnered with a new handler.

K-9s Sly and Eros will be taking over duties from three K-9s that have retired, while Deputy Tuomey, will become K-9 Aggie's new handler.

These K-9s are patrol and narcotics deputies that have been trained to track and apprehend.

Our deputies attend a six-week handler's course where they're able to bond with the K-9s and learn how to read their body language to better operate in the field.

Here are a few of the K-9s and handlers who are working hard to keep you safe each and every day.
