RE: McDowell Parking Deck Fees Waived for MCSO

In furtherance of our commitment to a competitive Total Rewards program, I am pleased to announce that effective with the pay period beginning Wednesday, April 20, 2022, MCSO employees that pay to park in the McDowell parking deck will no longer be charged a biweekly fee for parking. For those assigned to Central, APC, Courts, Registration Division, Resident Programming, IT, etc., that is an extra \$300 a year you will retain!

The County Manager, Dena Diorio, continues to show her commitment to MCSO and has been receptive to our request to eliminate this employee expense. MCSO identified dollars within our budget to offset the impact of the lost revenue to the County's budget. We are committed to providing a competitive Total Rewards program and this is just another example of how the Sheriff's Office is looking for opportunities to demonstrate our dedication to our employees and it doesn't stop here. Look for additional communication in the coming days.

Again, gratitude for all you do for this agency and the community. Much thanks for all you do!
