Temporary Air Conditioning Disruption Notice at Mecklenburg County Detention Center Central

Charlotte, N.C. - The Mecklenburg County Detention Center – Central is notifying staff and residents of a temporary disruption in air conditioning services in Tower One due to scheduled maintenance.

Beginning at 6:30 a.m. on Monday, July 28, maintenance crews will be working to restore full functionality to the cooling system. The A/C is expected to be fully operational by Monday afternoon.

In the meantime, please be advised that this weekend, the system will be functioning at approximately 45 percent capacity, resulting in warmer-than-usual conditions in affected areas.

We realize this may cause discomfort and inconvenience, and we kindly ask for your patience and cooperation as we work to make these essential repairs. Staff will monitor conditions closely and take any necessary steps to support the health and well-being of residents and employees during this brief period.

Thank you for your continued understanding and commitment to maintaining a safe and respectful environment for all.
