Mecklenburg County Detention Center Sergeant Attacked by Resident

(CHARLOTTE,NC)- On Sunday, May 2, 2021, a Sergeant suffered injuries during an incident with 30-year old Sherrod Davidson (PID# 380801), a resident housed at the Mecklenburg County Detention Center – Central.

At approximately 8:32 p.m., Sgt. G. Anthony was stabbed three times with a “homemade weapon” by resident Davidson. Sgt. Anthony was transported to Presbyterian Hospital to receive treatment for his injuries and is expected to make a full recovery.

“It deeply concerns me when the staff working in our detention centers encounter such acts of violence. Our detention professionals do a tremendous job of maintaining the safety of those detained and working inside our facilities. Every day they are met with challenges and their courage and efforts often go unnoticed. The MCSO Investigative Unit will thoroughly investigate the incident and expects to seek criminal charges against the resident responsible for the assault;” says Sheriff Garry L. McFadden.
